

WHAT'S INCLUDED IN THIS PACKAGE

This package is the quickest of quick start guides to Divination RPG! It includes the Aspect Sheets, the Hero Sheet, and a very high-level overview of rules in the form of a table reference.

Inside the zip file you'll find the following documents:

- **Divination Aspect Sheets v4.1.3** – The six Aspect sheets available for one-shot play (not electronically fillable), incorporating revamped Powers and all rules updates through August 2023.
- **Divination Hero Sheet v4.0.0** – The shared Hero sheet (not electronically fillable), incorporating all rules updates through August 2023.
- **Divination Quick Reference** – Three-page table handout with a key to reading symbols on the Aspect sheets, and a quick overview of the most important mechanics and terms used in the game.
